

Dear Parents,

Our news for the last two weeks

A group of Year 5/6 children took part in the Primary Swimming Gala at Woodhouse Close on Wednesday 21st January. We are pleased to announce that we came second overall. Congratulations to everyone who took part. Thank you to parents for assisting with transport after the event.

Sarah McAllister came into school on Wednesday to host a Healthy Packed Lunch Event after school for parents and children. Sarah prepared some healthy and tasty options that parents and children were able to sample. We hope that parents found this useful.

Chris Tomlinson (3 times Olympian) came into school on Tuesday to take part in a sponsored sporting event arranged through Sports for Schools. The challenge was for children to complete a fitness circuit with the athlete, performing four different activities which athletes usually do in order to keep fit. Children thoroughly enjoyed the whole experience and managed to raise funds for new PE equipment for our school. If you have not already done so would you please send sponsorship money into school by 3rd February. Forms have been photocopied and returned to some children so that parents are able to collect money. Thank you for your support it is much appreciated.

Enjoy your weekend!

Thank you for your continued support

Wendy Gill and Staff

Sainsbury's Active Kids Vouchers

Active Kids vouchers are back in store. Please start collecting these now and you may also wish to encourage family and friends to take part too!

Thank you

'GOOD TO BE GREEN'

OUR LUCKY DIP WINNERS FOR THIS WEEK ARE:

FROM KS1: Kristen T

FROM KS2: Molly B

Swimming and After School Clubs

Children are allowed to bring a small snack to eat after swimming lessons and before an after school club. Please note that this snack should be one piece of fruit only! Some children are bringing a 'mini-packed lunch'! This is unnecessary and takes too long for the children to eat. Thank you for your help with this

Congratulations
