

## Dear Parents

Welcome back to the Summer term! We hope that you all had an enjoyable Easter.

Please see below our news for the last two weeks...

On Wednesday 15th April Year 5 began their Sports Leadership Programme. This takes place over a few weeks and involves children developing leadership skills to enable them to deliver small activities during lunchtime with our younger children.

Y5 continue to take part in Bikeability sessions every Thursday. Please note that the last session takes place on 30th April.

Thrills and Skills for Life were in school on Tuesday 21st April to work with Year 4 children on the 'Head above Water' mission which was linked to Bangladesh. This was part of their Learning Challenge Project for this term. Children and staff thoroughly enjoyed this experience and worked really well as teams to complete the task. The positive impact of this is evident in the super pieces of writing they have produced in class.

As the weather is becoming much warmer would you please ensure that your child brings their water bottle to school and is suitably equipped for the conditions e.g. has sun-cream applied and a hat etc.

Thank you for your continued support  
Wendy Gill and Staff

## Future Events

Monday 27th April we have a theatre company in school to perform a play 'Hope' which explores themes of respect for others and positive behaviour.

We have introduced a new award to help promote and improve writing in school: Writer of the Week. A child will be chosen from each class using the following criteria: showing improvement in their writing, producing high quality writing and for presentation. Each recipient of the award will have their work displayed in school for that week and will be presented with a special certificate and a 'superstar writer' pencil.
