

# WHAT IS AN EMERGENCY?

Instructions: This is a 2 player game. One person has the board titled 'Emergency' and the other has the board titled 'Not an Emergency'. Cut out all of the scenarios, shuffle them and put them in a pile face down. Take it in turns to take one and put on your board if it is appropriate. If not, put to the bottom of the pile. Discuss your decisions.

Somebody is unconscious (not responding)

The television has stopped working

A grazed knee

Argument with sister

A building on fire

Friend doesn't want to play with you

Lost teddy bear

Someone is choking

A building has been broken into

## Discussion points for parents/carers:

Make sure the children know what an emergency is and why it's important to know what to do if there was one.

For each scenario, discuss why it is or isn't an emergency.

Explain that some of these situations would be upsetting but wouldn't need the emergency services. Who else would be able to help?

Discuss own experiences.
