

How to access Home Learning and all the resources.

- Open up the internet on your computer. The logo will look something like this:

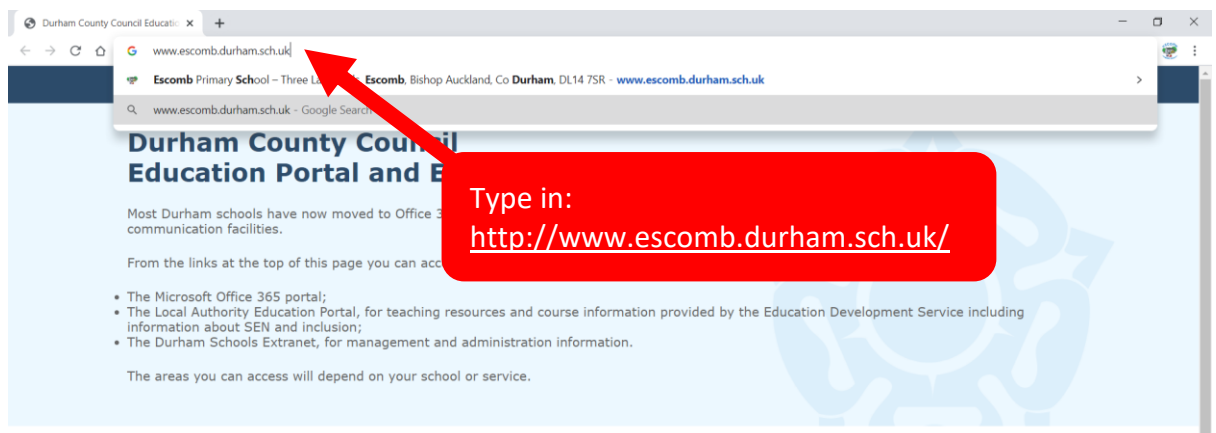

or

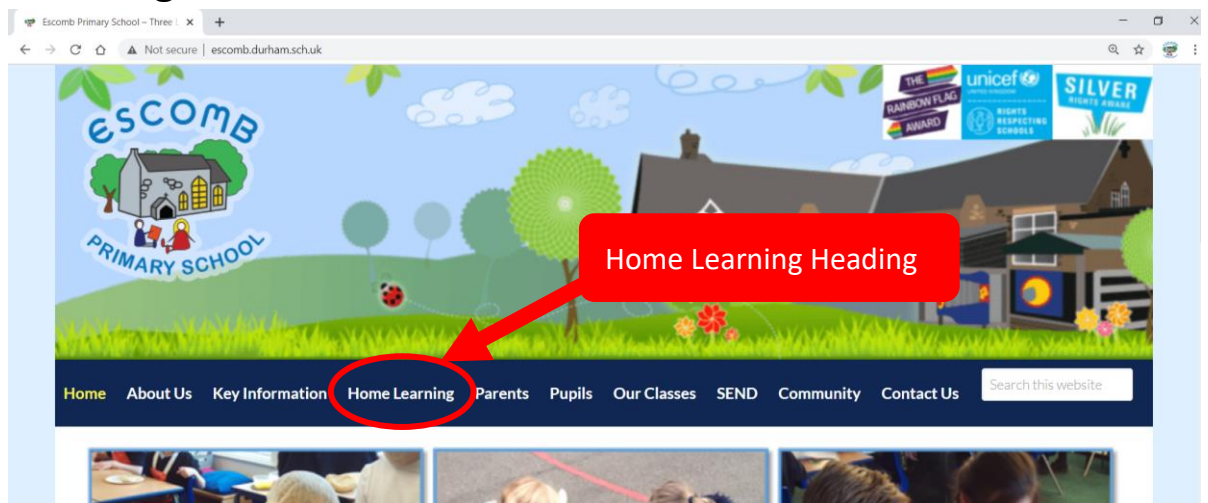

- In the address bar, at the top of the page, type in:

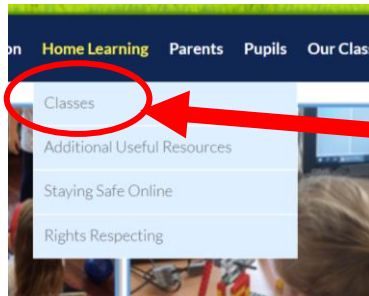

<http://www.escomb.durham.sch.uk/>

- This will take you to our school website.
- Once on the website you will see our Homepage. Near the top there is a navy blue strip with different headings on. You will see that one of the headings say 'Home Learning'.

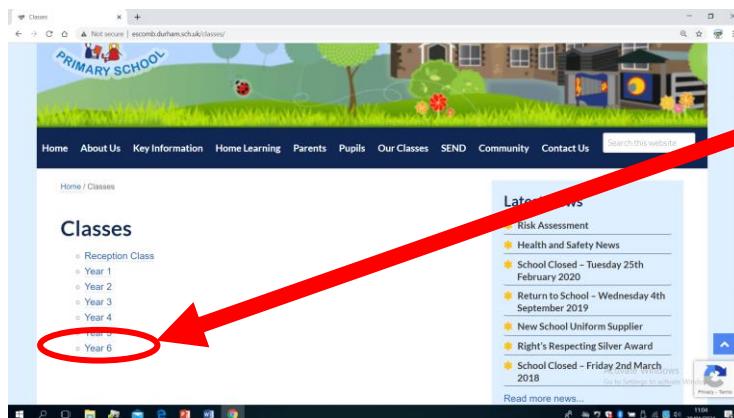

- Move the mouse so the pointer  is over the 'Home Learning' heading. You do not need to click your mouse yet. You will notice a box drop down with some sub-headings. Click on the one that says 'Classes'

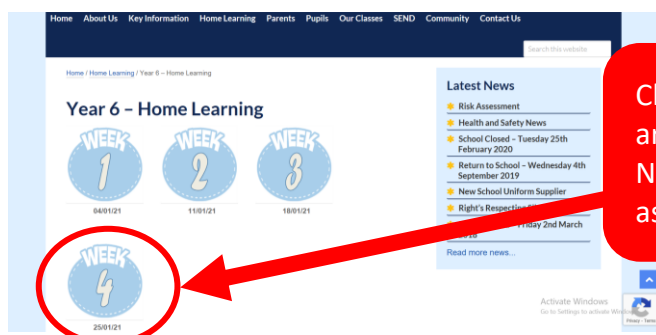

Select the 'Classes' sub-heading.

- This will bring up a page with all the different classes in our school. Click on the class your child is in. We will click on 'Year 6' for this example

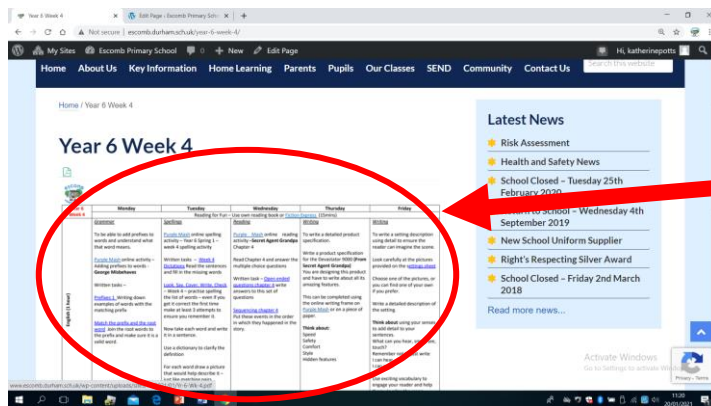

Select the year group your child is in.

- Once you have selected your child's year group you will be taken to a new page which will allow you to select which week we are on. For the purpose of this guide we will use Week 4 so click on the picture that says 'Week 4'

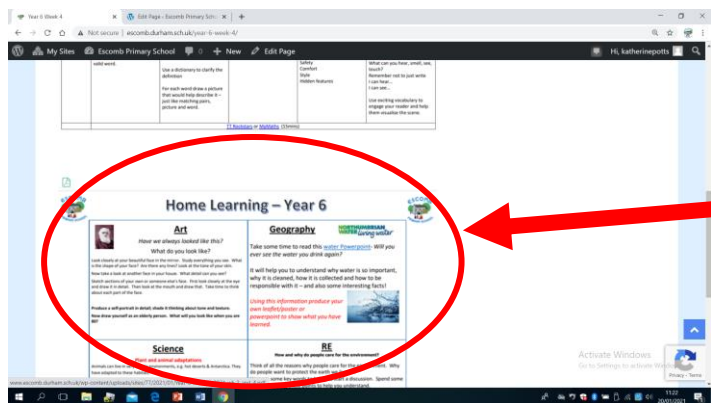

Click on the picture of the week you are currently on.
New weeks will be added each week as we progress through lockdown.

- This will load up a page with two images. One of our weekly timetable and our Learning Challenge Grid.

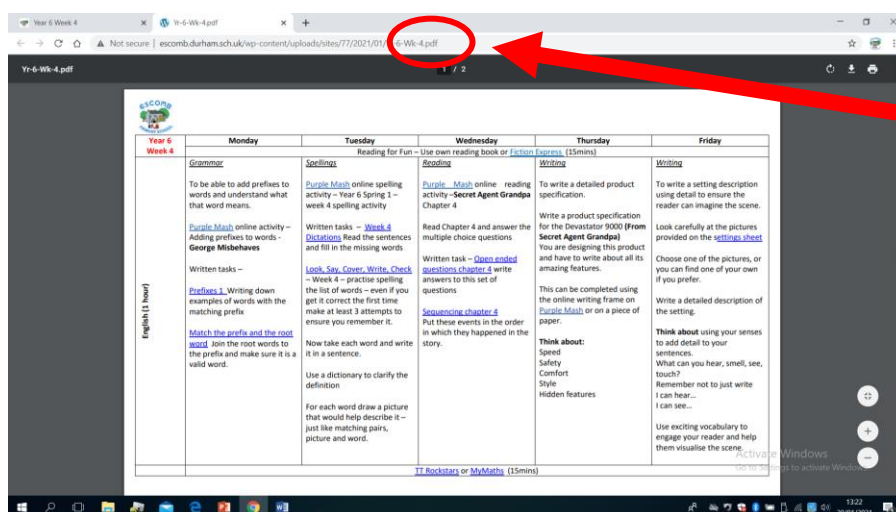

Weekly timetable

Learning Challenge Grid

- If you click on either of images it will open a PDF document of the selected file.

It will show in the address bar that it is a pdf file.

This PDF file will allow you to negotiate through the home learning without having to type new things onto the address bar at the top.

- Once the PDF document is on your screen, you will notice that there are some words that are blue and underlined. These are links that can be clicked on to direct you straight to the page/activity needed.

Year 6 Week 4

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 6 Week 4	Grammar	Spelling	Reading	Writing	Writing
English (1 hour)	To be able to add prefixes to words and understand what that word means.	Purple Mash online spelling activity - Year 6 Spring 1 - Week 4 spelling activity	Purple Mash online reading activity - Secret Agent Grandpa Chapter 4	To write a detailed product specification.	To write a setting description using detail to ensure the reader can imagine the scene.
	Purple Mash online activity - Adding prefixes to words - George Misbehaves	Written tasks - Week 4 Dictation - Read the sentences and fill in the missing words	Read Chapter 4 and answer the multiple choice questions	Write a product specification for the Devastator 9000 (From Secret Agent Grandpa) You are designing this product and have to write about all its amazing features.	Look carefully at the pictures provided on the settings sheet
	Written tasks - Prefixes 1 Writing down examples of words with the matching prefix	Look, Say, Cover, Write, Check - Use the practice words to write the list of words - even if you get it correct the first time make at least 3 attempts to ensure you remember it.	Written task - Open ended questions chapter 4 write answers to this set of questions	This can be completed using the online writing frame on Purple Mash on a piece of paper.	Choose one of the pictures, or you can find one of your own if you prefer.
	Match the prefix and the root word Join the root words to the prefix and make sure it is a valid word.	Now take each word and write it in a sentence.	Sequencing chapter 4 - Put these events in the order in which they happened in the story.	Write a detailed description of the setting.	Think about using your senses to add detail to your sentences.
		Use a dictionary to clarify the definition		Think about: Speed, Safety, Comfort, Style, Hidden features	What can you hear, smell, see,
		For each word draw a picture that would help describe it - just like matching pairs, picture and word.			
			TT Rockstars MyMaths (5mins)		

These are all links to take you to where you need to go.

- If you move the mouse so the pointer  is over the blue word, your pointer will change from an arrow to a hand that looks like this: 
- Once this hand appears you click on your left mouse button to open the link. For example:
 - If you click on the PurpleMash link, it will take you to our school login page for PurpleMash where you can enter your child's login details.

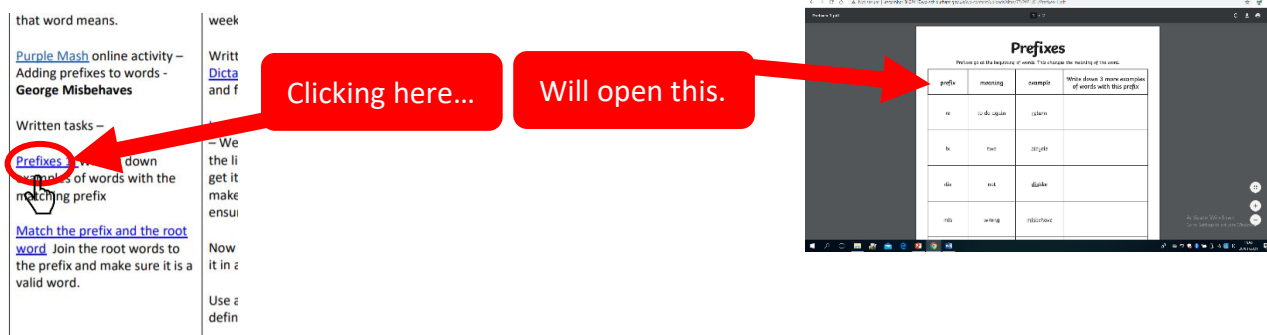

Click here

This page will open and you can put your child's username and password straight into the boxes.

-If you click on a link that is not a website but a worksheet, another PDF document will open with the worksheet on.

This document can be printed if you haven't picked up a pack from school.

Click on the printer button, on the top right of the page, to print worksheet.

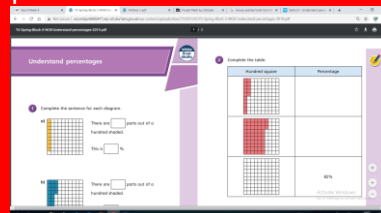

- In the Maths section of the timetable you will see the title in **bold** and the video, worksheets and answers in blue and underlined. These work the same as the other links. Move your mouse over the words and a hand will appear.

Maths (1hour)	Recap: Understand percentages	Fractions to percentages	Equivalent FDP	Order FDP	Percentage of an amount (1)
(2 hours)	video worksheet answers Choose one activity from your Learning Challenge Grid	video worksheet answers Choose one activity from your Learning Challenge Grid	video worksheet answers Choose one activity from your Learning Challenge Grid	video worksheet answers STEM Pick one of these Starter for STEM activities which you can do at home	video worksheet answers PSHE – All around me! Community Care
	PE – Choose an activity from Be Active! Be Healthy!			PE – Go Well! Help your child with their	Whole School Challenge! Nature Art

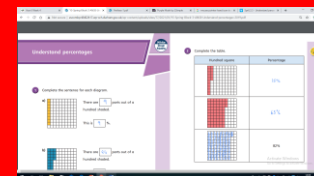

The video link will take you to a page that looks like this:

The worksheet link will bring up the worksheet for you to print:

The answers will give you a page, very similar to the worksheet but with the answer on:

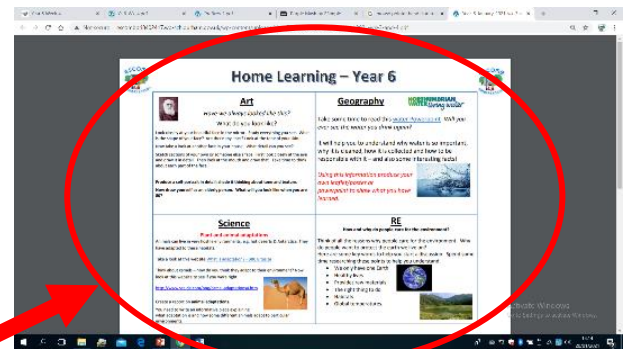

- Clicking on the Learning Challenge link will bring up the Learning Challenge grid. This will also have links which are blue and underlined to guide you to the relevant place.

Months (hours)	Recap: Understand percentages	Fractions to percentages	Equivalent FDP
(2 hours)	Choose one activity from video – worksheet – answers Lingo Tots video – worksheet – answers Learning Challenge Grid	Choose one activity from video – worksheet – answers Lingo Tots video – worksheet – answers Learning Challenge Grid	Choose one activity from video – worksheet – answers Lingo Tots video – worksheet – answers Learning Challenge Grid
Newsround (20 mins)	Watch Newsround - CBC Newsround		
Music (15 mins)	Keep a diary and write a paragraph about one thing you found interesting each day Durham Music Service 15 minutes of Music		

Clicking on the Learning Challenge link will open up the Learning Challenge grid for that fortnight.

This will be changed every two weeks so you may notice it is the same as the previous week.

Learning Challenge Grid

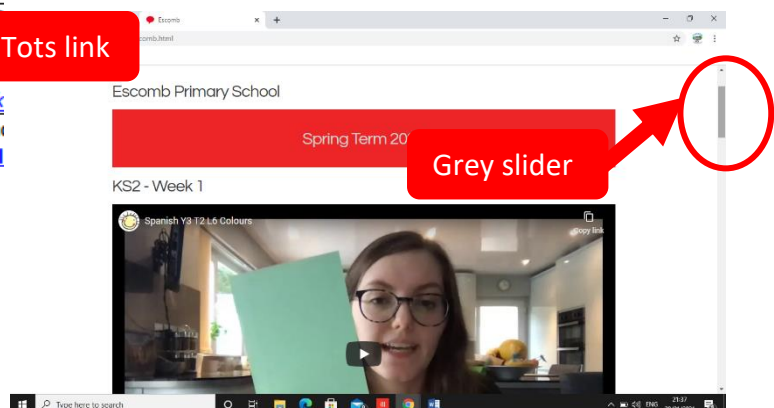

- If you are accessing the Spanish videos you will need to click on the words that say Lingo Tots. This will open up a new page with videos on for the Spanish lessons. You will need to scroll down the page by using the grey slider at the right side of the page to find this week's lesson. A new worksheet will be added each week to use alongside the video.

Grey slider

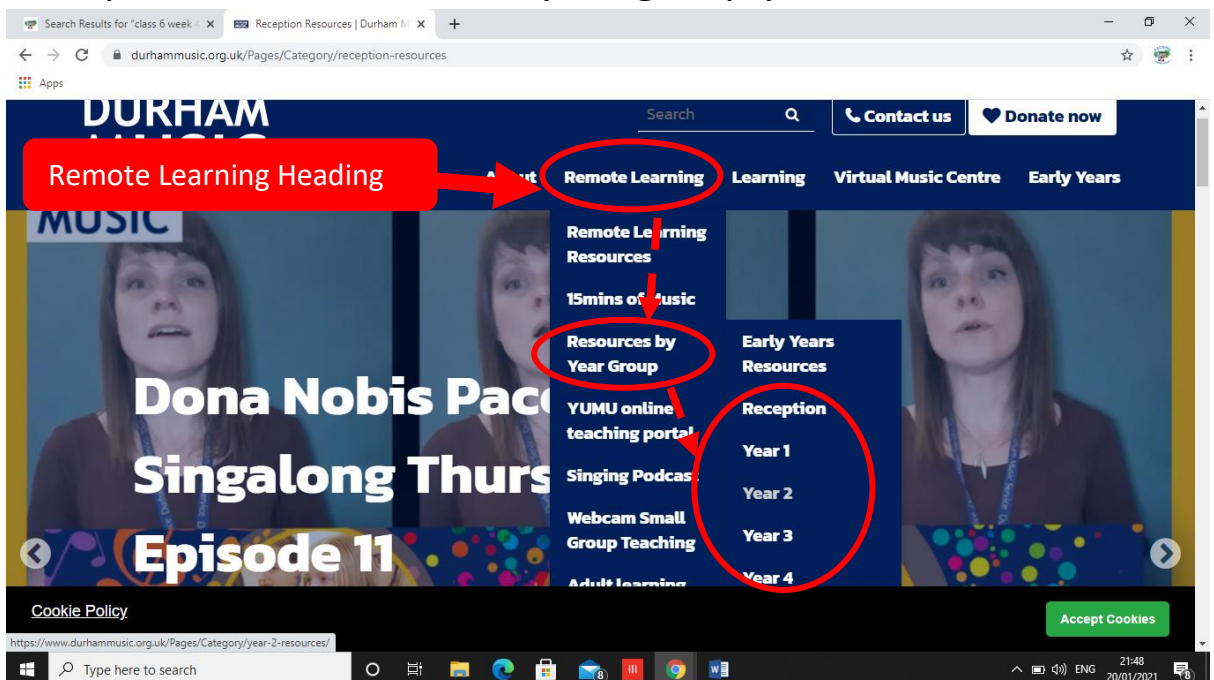

- '15 minutes of Music' offers some fantastic resources for you to do with your children at home. When you click on the link it will take you the Durham Music page.

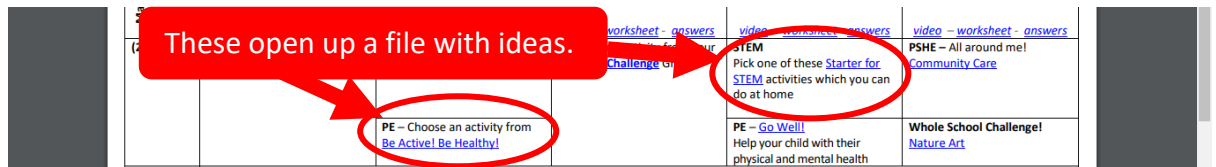

You may need to scroll down to more age appropriate activities if your child is in Reception Class, Year 1 or Year 2.

Alternatively, you can place your mouse over the 'Remote Learning', move it down to 'Resources by Year Group' and then select the year group your child is in.

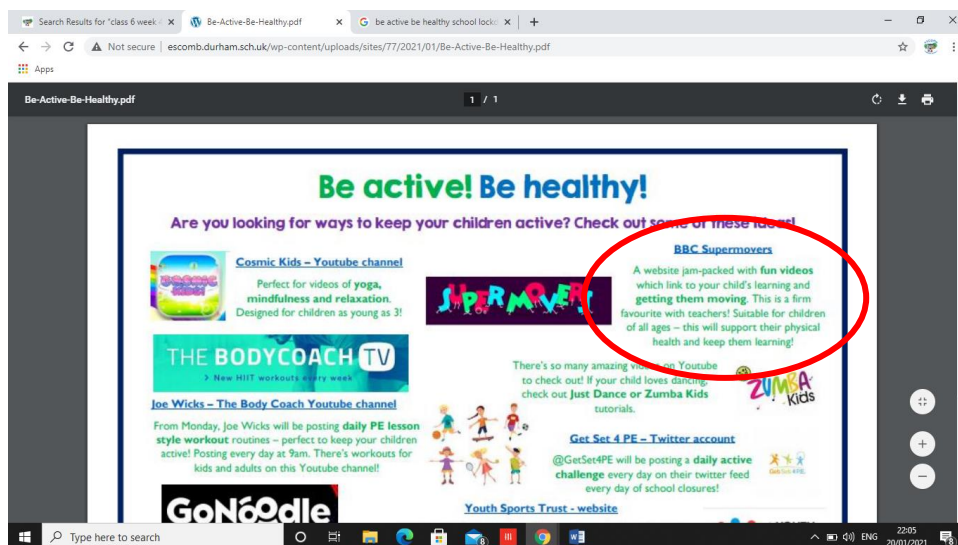

- The 'Starters for STEM' and the 'PE – Be Active! Be Healthy!' links will open up a PDF document with some ideas for you to use at home.

Unfortunately, once the document opens up there are no links to click which will guide you to the relevant page. You will need to use a search engine, such as Google to find these pages.

For example, if you want to look at BBC Supermovers just type into Google 'BBC Supermovers' and the search will find the page for you.

bbc supermovers

Type what you want to find in the search bar

www.bbc.co.uk › teach › supermovers
Super Movers - BBC Teach
Super Movers is helping children across the country get physically active with curriculum linked

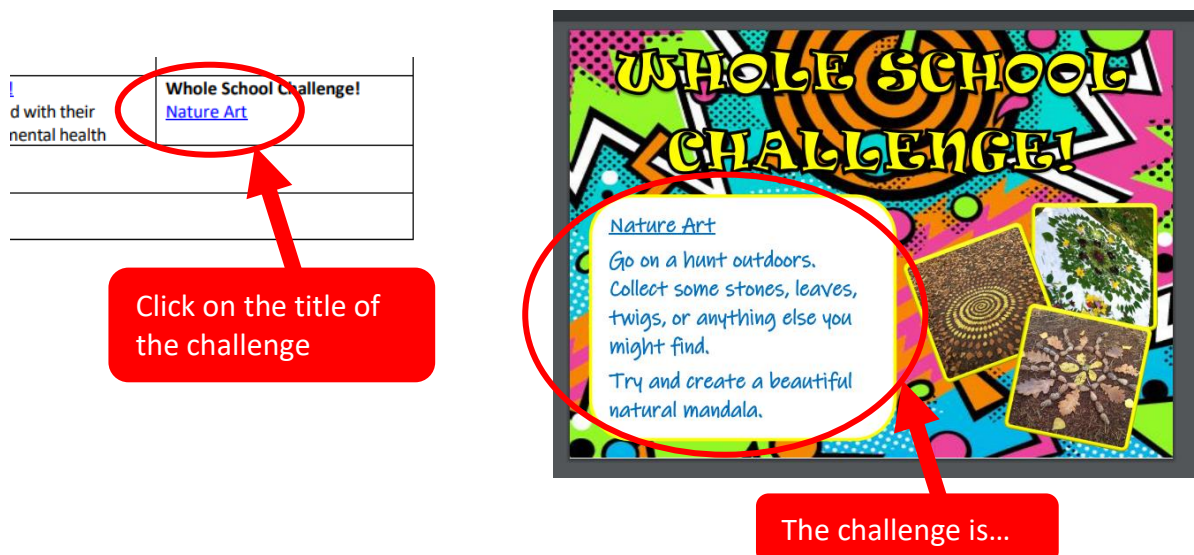

Click on the writing and it will take you to the page you are looking for.

- The PSHE link will be changed weekly. These may be different if you have children in different year groups (R, 1 & 2 will differ to Years 3, 4, 5 & 6). This is so that the topics are more age appropriate. Once on the page you follow the instruction to watch the video. There will be an activity for your child to complete at the end of the clip.

The image shows two screenshots. On the left, a table with the header 'Percentage of an amount (1)' contains a link 'PSHE - All around me! Community Care' circled in red. A red arrow points from this link to a red box containing the text 'PSHE link will be different each week.' On the right, a screenshot of the 'RHE (PSHE)' website shows a 'Community Care' lesson page. A green 'Start Lesson' button is circled in red, with a red arrow pointing to it from a red box containing the text 'Start the lesson and a video will appear for you to watch. There will be an activity to do at the end.'

- Whole School Challenges will be changed each week. These challenges can be done either individually or as a family. When you click on the link an image will appear with instructions for the challenge. It would be great to see some pictures of completed challenges so we can share these with others. These can be sent to either the class e-mail page or our school Facebook page.

The image shows two screenshots. On the left, a table with the header 'Whole School Challenge!' contains a link 'Nature Art' circled in red. A red arrow points from this link to a red box containing the text 'Click on the title of the challenge'. On the right, a screenshot of a 'WHOLE SCHOOL CHALLENGE!' poster for 'Nature Art' is shown. The poster includes instructions: 'Go on a hunt outdoors. Collect some stones, leaves, twigs, or anything else you might find. Try and create a beautiful natural mandala.' The title 'Nature Art' is circled in red, with a red arrow pointing to it from a red box containing the text 'The challenge is...'. The poster also features images of natural mandalas.
