

Home Learning – Reception class

Understanding the World - Exploration	Imaginative Play
<p>Have a go at these experiments. Can you talk about what you think is going to happen?</p> <p>Magic inflating balloon</p> <p>Make your own compass</p> <p>Make your own slime</p> <p>Balloon Rockets</p>	<p>Can you build a den? Use sheets and pegs to make an awesome den. Once you have finished it, can you take a photo and put it on Tapestry for us to see? Can you make a sign to tell people about your den?</p> <p>Is it dark? Do you need to have a torch too? Take some blankets in and get cosy looking at a book.</p>
Create	Expressive Arts - Singing
<p>Let's get creative. Collect some junk materials to make your musical instrument – E.g. Fill an empty bottle with rice to make a shaker. Use a box and some elastic bands to make a guitar.</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div>	<p>We love singing nursery rhymes at school. Can you sing some of your favourite nursery rhymes? Why not make some nursery rhyme crafts. Here are some ideas.</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div>

Don't forget to upload on to your tapestry account. This means Miss Maddocks gets to see the wonderful things you are doing at home! 😊
