<h2>What can you find out about Egypt?</h2>	<h2>Why was the River Nile so important to the Ancient Egyptians?</h2>	
<p>Webpage – read the facts about Egypt. Create an information sheet telling me about the facts you have learnt. You could include photographs and captions, drawings and tables of information. Make your work interesting and neat just like a real page from a non-fiction book!</p>	<p>PowerPoint – Find out about how important the River Nile was. Use the worksheet to write down everything you remember about why the River Nile was so important to the Ancient Egyptians.</p> 	
	<h2>Where did the Ancient Egyptians live?</h2>	 <h2>Egyptian Art</h2>
<p>PowerPoint – Find out what ordinary houses were like in ancient Egypt by looking at model houses that have been found buried in tombs.</p> <ul style="list-style-type: none">• Label a diagram of an ancient Egyptian house.• Draw a floor plan of an ancient Egyptian house to include the different rooms - bedroom, kitchen, living room, cellar. Mark on where windows, doors and any ramps or stairs would be. Also mark on where any furniture would be.• Construct the courtyard area on a rich ancient Egyptian's villa, using card, recycled boxes, art straws, modelling dough or any other art/craft materials. - Watch the video to see the structure of the houses.	<p>There are lots of beautiful Egyptian patterns.</p> <p>Have a look at the selection I have found.</p> <p>Copy and colour one of the patterns or create one of your own!</p>
