Year Group Bubbles maintained: Yes/No

**Consultation** -The Covid-19 Risk Assessment and associated COVID Policy has been shared with the Governing Body and Staff members. The Governing body of the school are to be informed of staff members and Parent/Carers concerns.

**Communication** -The Covid-19 Risk Assessment and associated COVID Policy has been shared with the whole staff team.

The school have more than 50+ members and staff and to comply with the current <u>Schools Coronavirus (COVID-19) Operational Guidance</u> in the Summer Term 2021 and to ensure compliance with the <u>Health and Safety Executive (HSE)</u> a copy of this risk assessment has been placed on the school website.

Persons covered by this assessment – The School Community and visitors attending the school to provide support etc.

COVID-19 is a virus which has serious effects which debilitates those who have caught it and causes immense distress both physically and mentally. The UK has suffered huge fatality rates.

The virus is thought to spread mainly from person-to-person.

- Between people who are in close contact with one another (within about 6 feet).
- Through respiratory droplets produced when an infected person coughs, sneezes, or talks.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.
- COVID-19 may be spread by people who are not showing symptoms.

The order in which people are offered the COVID-19 vaccine is based on advice from the Joint Committee on Vaccination and Immunisation (JCVI). The vaccination programme for <u>priority groups</u> has begun in the UK.

The COVID-19 Response - Spring 2021-Road Map has commenced in the UK.

The school are following the guidance <u>Schools coronavirus (COVID-19) operational guidance</u> and where applicable guidance for <u>Early Years</u>, <u>Further</u> <u>Education Colleges</u> and <u>Special Schools</u>.

From 8 March, people in England will see restrictions start to lift and the government's four-step roadmap offer a route back to a more normal life.

Public Health England advice systems of controls to minimize coronavirus (COVID-19) risks in school environments, the school are adhering to the twelve systems of control.

1)Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school.

- 2) Ensure face coverings are used in recommended circumstances.
- 3) Ensure everyone is advised to clean their hands thoroughly and more often than usual.
- 4) Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach.
- 5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents.
- 6) Consider how to minimise contact across the site and maintain social distancing wherever possible.
- 7) Keep occupied spaces well ventilated.

8) Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.

9) Promote and engage in asymptomatic testing, where available.
